

# Video Questions: Patterns

Name

**Directions:** After watching the Talking Study Guides episode on patterns, try your best to answer the questions below. For 3-6, continue the patterns.

- 1. Something that repeats in a predictable way is called a \_\_\_\_\_.**
- 2. When solving number patterns, we should always look for a \_\_\_\_\_ to follow.**

**3. 12 14 16 18 20 22 \_\_\_\_\_**

**4. 75 70 65 60 55 50 \_\_\_\_\_**

**5. 35 42 49 56 63 70 \_\_\_\_\_**

**6. 10 11 13 16 20 25 \_\_\_\_\_**

**To check your answers, flip your paper upside down.**
