

Learning Guide: Story Elements

Name

This guide goes along with the Talking Study Guides video on story elements.

- **Story elements are the parts or pieces that make up a stories.**
- **The setting of a story refers to when and where the story takes place.**
- **The plot refers to the events that make up a story.**
- **The people, animals, and/or creatures in a story are called the characters.**
- **A problem in a story is an obstacle that a character is trying to overcome.**
- **A solution in a story is how a problem in the story is solved.**
- **The theme of a story is the overall message that the author wants the readers to take away.**
